Every eight minutes, another family needs American Red Cross disaster relief. Right now, the Red Cross is on the scene, helping families affected by the recent hurricane.

The Red Cross is able to respond to thousands of disasters across the country each year because of your donations to the Disaster Relief Fund, which enable the Red Cross to provide shelter, food, counseling and other assistance to those in need.

But the American Red Cross Disaster Relief Fund is now virtually empty. **Your help is needed right now.**

Your financial gift to the Disaster Relief Fund will ensure that the Red Cross can continue to be at the side of disaster victims with free and immediate assistance when it's needed most.

No amount is too small to help.
