## METH LAB

### TODAY'S SHOWCASE

**\$72,500**

**plus cleanup costs**

Charming 3-bedroom meth lab. Needs rehab. Floors and walls contaminated with toxic chemicals, must replace. Additional costs may include hospital bills for respiratory issues. The agent probably doesn't have any clue the house is toxic, so be sure to find out how meth affects you at [drugfree.org/meth](http://drugfree.org/meth).
